

AFFIDAVIT OF CAROL BARBOUR

I, Carol Barbour, being duly sworn and say:

1. I am of age, sound mind and make the following statements of my own free will.
2. I make these statements from my own personal knowledge and observations.
3. From August 2008 through July 2009, I was an elementary principal in the Charlotte-Mecklenburg Public Schools. During my tenure, Dr. Elva C. Cooper, Regional Superintendent, was my supervisor. My performance reviews and school visits, all of which involved conferences to discuss the reviews and visits, were positive. These positive performance reviews are documented in the paperwork both Dr. Cooper and I signed. These positive reviews are included in my personnel file.
4. The policy of the Charlotte-Mecklenburg Public Schools required that all new principals and principals new to the district, such as me, to be assigned a leadership coach. Mrs. Beverly Moore, a retired regional superintendent, was my assigned coach. Mrs. Moore worked with me one-on-one throughout the year I was a principal. Mrs. Moore and Dr. Cooper were thoroughly familiar with my performance as a principal. Although Peter Gorman was the superintendent at the time, Mr. Gorman was not familiar with my performance as a principal. During my tenure as a principal in the Charlotte-Mecklenburg Public Schools, I never met nor spoke with Mr. Gorman concerning my performance, and he was not familiar with my performance evaluations.
5. My contract as a principal was renewed in or about July 2009, and I resigned from the school district, submitting a formal letter of resignation on July 20, 2009.
